MODEL HOME

T - TRADITIONAL

The Thielsen uses its 2,373 square feet to balance generous living spaces with thoughtful flow. A main-level primary suite offers a private retreat, while an open kitchen and great room at the heart of the home create a natural center for everyday living and gatherings. Upstairs, a large bonus room expands how the home can be used for media or play, while additional bedrooms give family or guests space to unwind. With its versatile layout and meaningful transitions between spaces, the Thielsen supports a lifestyle filled with connection and comfortable rhythms.
